Dear Jana,

On behalf of Blue Hills Child and Family Centre, we would like to thank you for your support during our Holiday Drive. We assisted over 40 families who were not able to provide for their family during the holiday season. With your help, the gifts, clothing and monetary donations meant that we were able to give every child the opportunity to feel the joy and happiness that should be experienced during this season. Please know that the families you sponsored are very much appreciative of your help and we hope that you will continue our partnership in providing to our community for families who struggle financially everyday.

Once again thank you for your generosity.

Sincerely

Dear Jana:

On behalf of Blue Hills Child and Family Centre, I would like to thank you for your support during our Holiday Drive. This year we assisted 32 families, 75 children, who were not able to provide for their family during the holiday season. With your help, the gifts, clothing and monetary donations meant that we were able to give every child the opportunity to feel the joy and happiness that should be experienced during this season.

Please know that the family you sponsored is very much appreciative of your help and we hope that you will continue our partnership in providing to our community for families who struggle financially everyday. Blue Hills thanks you and more importantly, the families and children are truly thankful. And that's really who it's all about.

Sincerely,
